

Welcome to the DS12 download page. These plans are available for free with the following conditions. If you agree to these conditions then please follow the link below to access the plans.

1. Due to the lack of build supervision, the design takes no responsibility for the safety of vessels built to these plans
2. These plans and all rights attached remain the property of CTMD Pty Ltd
3. The plans are available for private use only.
4. Please advise CTMD when you start building and we will assign you a sail number.

If you have any questions please don't hesitate to ask.
